Reviews

Very good e-book and valuable one. It can be written in basic words and phrases and not confusing. You will not really feel monotony at whenever you want of your own time (that's what catalogues are for concerning should you check with me).

MARINA BAY SINS

Marshall Cavendish International (Asia) Pte Ltd. Paperback. Book Condition: new. BRAND NEW, Marina Bay Sins, Neil Humphreys, Throughout his career, Singapore's bestselling author Neil Humphreys has successfully mixed biting wit with pitch-black satire to highlight the hypocrisy that lies beneath Asia's sanitised, swinging city. In both fiction and non-fiction, he has shone a light into Singapore's darkest corners to create riveting stories that both captivate the reader and provoke the conscience. Now, in his new novel Marina Bay Sins, he has taken a parang to some of Asia's most sacred cows. Detective Inspector Stanley Low is having a really bad day. His bipolar condition is already ruining another session with his psychiatrist when a sadistic sex murder-suicide at Singapore's most prestigious hotel plunges him back into a sordid underworld he was desperate to leave behind. As the case spirals out of control, Inspector Low encounters self-help celebrity couple Yue Liang and Jimmy Chew. She's a desperate singer willing to do whatever it takes to break the US market. He's a motivational speaker embroiled in a financial crisis. Neither of them can get their story straight. Meanwhile, a South African CEO cannot control his addiction to Asian women, an elusive Indonesian businessman plays pimp for exiled military generals, a government minister is determined to protect foreign 'talent' and an imprisoned loan shark pushes Low to the brink of a nervous breakdown. Fuelled by his uncontrollable mania, Inspector Low goes undercover once more and returns to a world that the Asian metropolis refuses to acknowledge: a world of gambling addiction, crime syndicates, international money launderers, immoral celebrities and corrupt politicians, all living in Asia's cleanest city.
