Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Each book in the Coloring Books for Grownups series contains 50 outline drawings ready for coloring, and is designed for older children and adults of all ages who are looking to escape the stresses of modern living and simply relax.This, the seventh book in the series is designed to really let your imagination run wild in the incredibly colorful world of tribal design. Tribal art covers a fairly wide spectrum, but tribal prints and patterns almost always have one thing in common - their bold and imaginative use of color.Coloring for grown-ups is very popular today and there are many explanations for this interest. Some of the reasons for its popularity include.Coloring Relieves Stress And AnxietyPsychiatrists have long known that coloring relaxes the fear center of the brain and permits your mind to get some rest. Indeed, Carl Jung, the founder of analytical psychology, is known to have given his patients mandalas to color over one hundred years ago. In the hectic world we inhabit today the stress relieving properties of coloring are possibly more valuable than they have ever been.Coloring Trains Your Brain To FocusKeeping inside the lines as you color a simple black and white line drawing takes focus and, while you concentrate on this stress-free and relaxing activity, you can forget about your worries. Coloring is a mind exercise which allows you to set aside everything for the time you spend doing it, and this is extremely important in our busy world.Coloring Helps To Develop Fine Motor Skills And VisionColoring forces the two hemispheres of the brain to work together and involves both the use of logic (necessary to color forms) and creativity...
