QUERIDA PRINCESA

BOHODÓN EDICIONES, España, 2016. Encuadernación de tapa blanda. Book Condition: Nuevo. 21x14cm. 377 pp. "Querida princesa" es uno de esos libros que posee la capacidad de transportar al lector al tiempo en el que se desarrollan los acontecimientos y hacerle zambullirse en el ambiente social que se describe en la obra. Es una apasionante novela cuya acción transcurre en la España del siglo XIX, una España que el autor nos muestra usando como hilo conductor de la narración a una familia de la alta burguesía del momento. En esta lúcida e imaginativa historia veremos como se entrecruzan a lo largo de sus páginas los amoríos con los desengaños y los señores con los criados sacando a la luz las flaquezas y debilidades del ser humano. Ficción y verdad se funden y confunden en esta trama histórica en la que veremos aflorar tanto los sentimientos más elevados, el amor, la lealtad y la generosidad, como los más miserables, la codicia, la traición y la maldad. Toda esta cruda y desnuda realidad será observada por doña Isabel y por Elvira, su nieta, que nos acompañarán en este viaje decimonónico a través de tres escenarios fundamentales, el Madrid del romanticismo, el Santander del comercio colonial y el de un pueblo como La Cavada con un pujante comercio textil. Los avatares en los que se verán inmersos los protagonistas y las circunstancias personales e históricas que se desencadenarán a lo largo de la novela, harán que surjan todos los rasgos y conflictos inherentes a la condición humana. Todas estas particularidades hacen de Querida princesa una lectura recomendable e inaplazable.
